

ATTENTION GRADE 12 STUDENTS

PAECO, as part of its mentorship program, is ready to help students who are planning to attend university/college in 2017.

PAECO's help includes:

- Guiding grade 12 students with OUAC/OCAS application processes
- Provide professional advice to select the right program and university/college
- Provide general academic advice

****We have university students and professional volunteers in the field of Engineering, Computers, Arts, Sciences, Commerce, ...etc**
